

When Passion Hits the Pavement

A VOCATIONAL SEMINAR ABOUT ACHIEVING YOUR GREATEST POTENTIAL

Saturday | November 2 | 9-11a

***Are you un-employed, under-employed,
just stepping into the job market, in a career transition,
or simply want to make sure you are reaching your greatest potential at work?***

The Problem 71% of all professionals are either dis-engaged or do not like what they are doing in their jobs and in their careers. Most individuals are not sure what to do and are struggling to find work where they can utilize their gifts. They would love to know how to use their gifts to enjoy and thrive in their careers while honoring God in the work they do.

About Z1CareerZone

Z1CareerZone, is a career coaching firm that offers both professional career coaching services and online training classes for a variety of individuals who are either struggling to find a job they can get excited about and a career where they can thrive. Z1CareerZone combined their 590+ years of industry and recruiting experiences to design a program that offers their clients a significant advantage of landing a great job where they can use their strengths and skills to thrive in their new careers.

Seminar Description

Jim Zasowski, CEO and Founder of both Z1CareerZone coaching firm and Z1 Solutions, Inc. executive search firm, will be sharing the secret sauce of "The Three Reasons Why People Get Hired and Other's Don't". Jim will also be sharing "Pro Tips & Tools" on how you can dramatically increase your odds of getting the right job by differentiating yourself in both the job search and interview process. In addition, the Z1CareerZone team will be on hand to answer any questions you might have related specifically to your current situation following the session.
